Karen: I will be happy to pay her busfare, here is schedule for tomorrow:
Karen: https://www.greyhound.com/farefinder/step2.aspx
Karen: That is to Minneapolis. What town does her mother live in in Minnesota? We can get her a connection from there.
me: Thanks, let's wait a few days on getting bus ticket, we're not tired of each other just yet.
Karen: OK! But you will be able to see me today>
me: And maybe we can all go out to lunch or dinner tomorrow or day after?
Karen: Sure!
me: Yeah, I can do that today
Karen: OK we need to run to the ATT store with your phone.
Karen: What time? I am going out tonight but free during the day
me: I guess later this morning
Karen: OK, will you answer the phone?
me: yep
Karen: I think they open around 10?
Karen: Yes, just looked it up, they open at 10. Will call you around then;
me: okay
Karen: Do you happen to remember if you have an Apple ID and password? You will need to have/ or get one today for the iphone.
me: I don't remember what/where that would be
Karen: You can go to:
Karen: ihttps://iforgot.apple.com/cgi-bin/WebObjects/DSiForgot.woa/wa/iforgot
Karen: Try entering your email address as the id and a password. Or you can create a password. See if you can get that set up?
me: okay, will try that
Karen: See if you can get that set up, then write it down and bring with you at 10?
me: yep
me: doesn't seem to be working
